ACCELERATED DEATH BENEFIT RIDER DISCLOSURE

IMPORTANT NOTICE TO APPLICANT/BUYER REGARDING ACCELERATED DEATH BENEFITS

The benefits provided by this accelerated death benefit are not intended to provide, and will never provide, long-term care insurance, nursing home insurance, or home care insurance. If you are interested in long-term care or nursing home or home care insurance, you should consult with an insurance agent licensed to sell that insurance, inquire with the insurance company offering the accelerated death benefits, or visit the California Department of Insurance Internet Web site (www.insurance.ca.gov) section regarding long-term care insurance. If you choose to accelerate a portion of your death benefit, doing so will reduce the amount that your beneficiary will receive upon your death. Receipt of accelerated death benefits may be taxable. Prior to electing to buy the accelerated death benefit, you should seek assistance from a qualified tax adviser. Receipt of accelerated death benefits may affect eligibility for public assistance programs such as Medi-Cal or Medicaid. Prior to electing to buy the accelerated death benefit, you should consult with the appropriate social services agency concerning how receipt of accelerated death benefits may affect that eligibility.

DISCLOSURE FOR TERM LIFE INSURANCE POLICIES

If you are applying for term life insurance benefits, this disclosure is a brief description of the Accelerated Death Benefit for Terminal Illness Rider and its effects on your policy. This disclosure is not an insurance contract, but only a summary of the coverage provided by the rider. There is no premium or cost of insurance charge for the rider.

BENEFIT DESCRIPTION

While the rider is in force and if the Insured is diagnosed as having a Terminal Illness, you may make a one-time election to receive an accelerated death benefit equal to 92% of the policy's death benefit. A Terminal Illness is a medical condition that, within a reasonable degree of certainty, will result in the Insured's death within 24 months or less from the date on the statement of proof of Terminal Illness. A physician must sign and date the statement of proof of Terminal Illness.

EFFECT OF THE ACCELERATED DEATH BENEFIT ON THE POLICY

When we pay the accelerated death benefit, the policy and all its riders will terminate.

DISCLOSURE FOR UNIVERSAL LIFE INSURANCE POLICIES

If you are applying for universal life insurance benefits, this disclosure is a brief description of the Accelerated Benefit for Terminal Illness Rider, the Accelerated Benefit for Chronic Illness Rider, and their effects on your policy. This disclosure is not an insurance contract, but only a summary of the coverage provided by the riders. There is no premium or cost of insurance for these riders.

The sum of all requested accelerations under the Terminal Illness Rider and the Chronic Illness Rider may not exceed the lesser of \$1,000,000 or 80% of the specified amount as of the date of the first requested acceleration.

BENEFIT DESCRIPTION - ACCELERATED BENEFIT FOR CHRONIC ILLNESS RIDER

If the insured is diagnosed as being Chronically Ill while the policy is in force, you may elect to receive an accelerated benefit. Chronically Ill means that within the last 12 months a licensed health care practitioner has certified that for a continuous period of at least 90 days, the insured is: (a) unable to perform (without substantial assistance from another person) at least two activities of daily living; or (b) requires substantial supervision to protect himself or herself from threats to health

Acknowledgment

I acknowledge receipt of this disclosure form.

Applicant/Owner Signature

I have provided this disclosure form to the applicant.

and safety due to severe cognitive impairment.

A requested acceleration may be of any amount you choose up to the maximum. There may be tax consequences of accepting an amount above the amount that would be tax qualified under the Internal Revenue Code. The sum of all requested chronic illness accelerations may not exceed the lesser of \$500,000 or 80% of the specified amount as of the date of the first requested acceleration.

You may elect to receive the Chronic Illness benefit more than once, and there must be at least 12 months between acceleration requests. In contrast, you may elect to receive the Terminal Illness benefit only once. If you elect to receive the Terminal Illness benefit, the Chronic Illness benefit is no longer available.

We will reduce the Chronic Illness benefit by a charge equal to 6% of the requested acceleration multiplied by the insured's life expectancy in years, a \$100 charge, and the pro-rated amount of any outstanding loans.

BENEFIT DESCRIPTION - ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

If the insured is diagnosed as having a Terminal Illness while the policy is in force, you may make a one-time election to receive an accelerated Terminal Illness benefit. A requested acceleration may be of any amount you choose up to a maximum. The terminal illness acceleration may not exceed the lesser of \$1,000,000 or 80% of the specified amount as of the date of the first requested acceleration, less any amounts accelerated under the Accelerated Benefit for Chronic Illness Rider.

A Terminal Illness is a medical condition that, with a reasonable degree of medical certainty, will result in the insured's death within 12 months or less from the date a physician signs the statement of proof of terminal illness.

We will reduce the Terminal Illness benefit by 6% of the requested acceleration, a \$100 charge, and the pro-rated amount of any outstanding loans.

EFFECT OF THE ACCELERATED BENEFIT ON THE POLICY

When we pay any accelerated benefit, the following will occur: (a) we will reduce the specified amount, accumulation value, and any loan by the same proportion as the benefit; and (b) the monthly deduction and cost of insurance charge will be based on the reduced specified amount.

Accelerated Benefit for Chronic Illness Replacement Form

If applying for a policy with the Accelerated Benefit Rider for Chronic Illness, is it intended to replace any long-term care insurance or life insurance policy with an Accelerated Death Benefit Rider presently in force?.... Yes No

If Yes, please complete the following "NOTICE TO APPLICANT" and sign below. If No, please skip the "NOTICE TO APPLICANT" section and sign below.

NOTICE TO APPLICANT

NOTICE TO APPLICANT REGARDING REPLACEMENT OF LONG-TERM CARE INSURANCE OR LIFE INSURANCE INCLUDING ACCELERATED DEATH BENEFITS

According to information you have furnished, you intend to lapse or otherwise terminate existing life insurance or long-term care insurance and replace it with a life insurance policy with an accelerated death benefit to be issued by United of Omaha Life Insurance Company. Your new accelerated death benefit coverage provides 30 days within which you may decide, without cost, whether you desire to keep the coverage. Please note that your underlying life insurance policy may only provide for a 10-day period during which you may decide, without cost, whether you will keep the coverage. For your own information and protection, you should be aware of, and seriously consider, certain factors that may affect the insurance protection available to you under the new coverage.

This accelerated death benefit is NOT Nursing Home, Home Care, or Long-Term Care Insurance, and it is not intended or designed to eliminate your need for that coverage. There are no restrictions or limitations on the use of the accelerated death benefit proceeds.

If you want long-term care insurance, you should consult with an insurance agent licensed to sell that insurance, inquire with the insurance company offering the accelerated death benefits, or visit the California Department of Insurance Internet Web site (www.insurance.ca.gov) that provides information regarding long-term care insurance.

If you want to replace existing coverage with life insurance that includes an accelerated death benefit, you should note the following:

- (1) Receipt of accelerated death benefits may be taxable. Prior to electing to buy the accelerated death benefit, policyholders or certificate holders should seek assistance from a qualified tax adviser.
- (2) Receipt of accelerated death benefits may affect eligibility for public assistance programs, such as Medi-Cal or Medicaid. Prior to electing to buy the accelerated death benefit, the applicant/buyer should consult with the appropriate social services agency concerning how receipt of accelerated death benefits may affect that eligibility.

You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present coverage. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.

If, after due consideration, you still wish to terminate your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your coverage had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all the information has been properly recorded.

The above "Notice to Applicant" was delivered to me on:

Date: _____

- ___ No change in benefits, but lower premiums.
- ___ Fewer benefits and lower premiums.

ACCELERATED DEATH BENEFIT RIDER DISCLOSURE

IMPORTANT NOTICE TO APPLICANT/BUYER REGARDING ACCELERATED DEATH BENEFITS

The benefits provided by this accelerated death benefit are not intended to provide, and will never provide, long-term care insurance, nursing home insurance, or home care insurance. If you are interested in long-term care or nursing home or home care insurance, you should consult with an insurance agent licensed to sell that insurance, inquire with the insurance company offering the accelerated death benefits, or visit the California Department of Insurance Internet Web site (www.insurance.ca.gov) section regarding long-term care insurance. If you choose to accelerate a portion of your death benefit, doing so will reduce the amount that your beneficiary will receive upon your death. Receipt of accelerated death benefits may be taxable. Prior to electing to buy the accelerated death benefit, you should seek assistance from a qualified tax adviser. Receipt of accelerated death benefits may affect eligibility for public assistance programs such as Medi-Cal or Medicaid. Prior to electing to buy the accelerated death benefit, you should consult with the appropriate social services agency concerning how receipt of accelerated death benefits may affect that eligibility.

DISCLOSURE FOR TERM LIFE INSURANCE POLICIES

If you are applying for term life insurance benefits, this disclosure is a brief description of the Accelerated Death Benefit for Terminal Illness Rider and its effects on your policy. This disclosure is not an insurance contract, but only a summary of the coverage provided by the rider. There is no premium or cost of insurance charge for the rider.

BENEFIT DESCRIPTION

While the rider is in force and if the Insured is diagnosed as having a Terminal Illness, you may make a one-time election to receive an accelerated death benefit equal to 92% of the policy's death benefit. A Terminal Illness is a medical condition that, within a reasonable degree of certainty, will result in the Insured's death within 24 months or less from the date on the statement of proof of Terminal Illness. A physician must sign and date the statement of proof of Terminal Illness.

EFFECT OF THE ACCELERATED DEATH BENEFIT ON THE POLICY

When we pay the accelerated death benefit, the policy and all its riders will terminate.

DISCLOSURE FOR UNIVERSAL LIFE INSURANCE POLICIES

If you are applying for universal life insurance benefits, this disclosure is a brief description of the Accelerated Benefit for Terminal Illness Rider, the Accelerated Benefit for Chronic Illness Rider, and their effects on your policy. This disclosure is not an insurance contract, but only a summary of the coverage provided by the riders. There is no premium or cost of insurance for these riders.

The sum of all requested accelerations under the Terminal Illness Rider and the Chronic Illness Rider may not exceed the lesser of \$1,000,000 or 80% of the specified amount as of the date of the first requested acceleration.

BENEFIT DESCRIPTION - ACCELERATED BENEFIT FOR CHRONIC ILLNESS RIDER

If the insured is diagnosed as being Chronically Ill while the policy is in force, you may elect to receive an accelerated benefit. Chronically Ill means that within the last 12 months a licensed health care practitioner has certified that for a continuous period of at least 90 days, the insured is: (a) unable to perform (without substantial assistance from another person) at least two activities of daily living; or (b) requires substantial supervision to protect himself or herself from threats to health

and safety due to severe cognitive impairment.

A requested acceleration may be of any amount you choose up to the maximum. There may be tax consequences of accepting an amount above the amount that would be tax qualified under the Internal Revenue Code. The sum of all requested chronic illness accelerations may not exceed the lesser of \$500,000 or 80% of the specified amount as of the date of the first requested acceleration.

You may elect to receive the Chronic Illness benefit more than once, and there must be at least 12 months between acceleration requests. In contrast, you may elect to receive the Terminal Illness benefit only once. If you elect to receive the Terminal Illness benefit, the Chronic Illness benefit is no longer available.

We will reduce the Chronic Illness benefit by a charge equal to 6% of the requested acceleration multiplied by the insured's life expectancy in years, a \$100 charge, and the pro-rated amount of any outstanding loans.

BENEFIT DESCRIPTION - ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

If the insured is diagnosed as having a Terminal Illness while the policy is in force, you may make a one-time election to receive an accelerated Terminal Illness benefit. A requested acceleration may be of any amount you choose up to a maximum. The terminal illness acceleration may not exceed the lesser of \$1,000,000 or 80% of the specified amount as of the date of the first requested acceleration, less any amounts accelerated under the Accelerated Benefit for Chronic Illness Rider.

A Terminal Illness is a medical condition that, with a reasonable degree of medical certainty, will result in the insured's death within 12 months or less from the date a physician signs the statement of proof of terminal illness.

We will reduce the Terminal Illness benefit by 6% of the requested acceleration, a \$100 charge, and the pro-rated amount of any outstanding loans.

EFFECT OF THE ACCELERATED BENEFIT ON THE POLICY

When we pay any accelerated benefit, the following will occur: (a) we will reduce the specified amount, accumulation value, and any loan by the same proportion as the benefit; and (b) the monthly deduction and cost of insurance charge will be based on the reduced specified amount.

Accelerated Benefit for Chronic Illness Replacement Form

If applying for a policy with the Accelerated Benefit Rider for Chronic Illness, is it intended to replace any long-term care insurance or life insurance policy with an Accelerated Death Benefit Rider presently in force?.... Yes No

If Yes, please complete the following "NOTICE TO APPLICANT" and sign below. If No, please skip the "NOTICE TO APPLICANT" section and sign below.

NOTICE TO APPLICANT

NOTICE TO APPLICANT REGARDING REPLACEMENT OF LONG-TERM CARE INSURANCE OR LIFE INSURANCE INCLUDING ACCELERATED DEATH BENEFITS

According to information you have furnished, you intend to lapse or otherwise terminate existing life insurance or long-term care insurance and replace it with a life insurance policy with an accelerated death benefit to be issued by United of Omaha Life Insurance Company. Your new accelerated death benefit coverage provides 30 days within which you may decide, without cost, whether you desire to keep the coverage. Please note that your underlying life insurance policy may only provide for a 10-day period during which you may decide, without cost, whether you will keep the coverage. For your own information and protection, you should be aware of, and seriously consider, certain factors that may affect the insurance protection available to you under the new coverage.

This accelerated death benefit is NOT Nursing Home, Home Care, or Long-Term Care Insurance, and it is not intended or designed to eliminate your need for that coverage. There are no restrictions or limitations on the use of the accelerated death benefit proceeds.

If you want long-term care insurance, you should consult with an insurance agent licensed to sell that insurance, inquire with the insurance company offering the accelerated death benefits, or visit the California Department of Insurance Internet Web site (www.insurance.ca.gov) that provides information regarding long-term care insurance.

If you want to replace existing coverage with life insurance that includes an accelerated death benefit, you should note the following:

- (1) Receipt of accelerated death benefits may be taxable. Prior to electing to buy the accelerated death benefit, policyholders or certificate holders should seek assistance from a qualified tax adviser.
- (2) Receipt of accelerated death benefits may affect eligibility for public assistance programs, such as Medi-Cal or Medicaid. Prior to electing to buy the accelerated death benefit, the applicant/buyer should consult with the appropriate social services agency concerning how receipt of accelerated death benefits may affect that eligibility.

You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present coverage. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.

If, after due consideration, you still wish to terminate your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your coverage had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all the information has been properly recorded.

1035 Exchanges: The Internal Revenue Code - Section 1035(a) provides for tax-free exchange of a non-qualified annuity, life or endowment contract from one carrier or issuer of a contract to a new carrier. This exchange is often made when a client wishes to take advantage of better product features such as those offered by the United of Omaha Annuity. By exercising a 1035(a) exchange, the client may transfer the money from the old carrier to United of Omaha without incurring a taxable gain for federal income tax purposes. **Although the exchange is easy to transact, it is important that a few rules are followed to assure that the exchange qualifies as a tax-free exchange under Internal Revenue Code - Section 1035(a).**

L5714_0508

Points to Keep in Mind When Exercising a 1035 Tax-free Exchange

Producer:

- Exchange can be from a non-qualified life or annuity policy to United of Omaha's non-qualified annuity policy, or
- Exchange can be from a non-qualified life policy to United of Omaha's non-qualified life policy. (Note: An annuity may NOT be exchanged for a life policy.)
- The Owner(s) and Annuitant(s)/Insured of old policy being exchanged must be the same as the Owner(s) and Annuitant(s)/Insured of the new policy being requested.
- The policy being exchanged must provide for a surrender value that meets the new policy minimum requirement.
- A fully completed application with the 1035(a) exchange box marked along with a fully completed Internal Revenue Code Section 1035 Exchange Assignment form is completed and sent to United of Omaha along with the policy(ies) being exchanged. If the policy(ies) being exchanged cannot be located, please complete the Lost Policy Statement. (Replacement regulations must also be met for states that require replacement notification.)
- For life only: No funds can be collected with the application, and all funds received for the initial payment must come from the policy being exchanged unless the minimum premium requirement is met. If the plan type allows, additional subsequent payments can be made after the initial 1035 Exchange payment is received by United of Omaha.

Owner(s):

- United of Omaha will submit 1035(a) Exchange Assignment Form to old carrier to request the tax-free exchange within 2 days of receipt of the annuity application or upon underwriting approval for life applications. A policyowner "Thank You" letter will also be sent at that time.
- It may be in your best interest to contact the old carrier and encourage them to release the policy funds to United of Omaha upon receipt of the 1035 Exchange Assignment request without delay.
- If the funds are not received at the end of a 3-week period, United of Omaha will make a second request for the release of the funds.
- The new policy cannot be issued until the funds are received from the old carrier unless the minimum initial premium requirement is met. United of Omaha will follow-up until the funds are received.

As permitted by Section 1035 of the Internal Revenue Code, I have decided to exchange my policy(ies) (the old policy(ies)) for a replacement policy (the new policy), for which I have applied to United of Omaha Life Insurance Company (United), Mutual of Omaha Plaza, Omaha, NE 68175. Note: Please see attached cover letter for specific mailing instructions.

In order to accomplish the exchange, I assign to United all right, title and interest in the old policy(ies); however, this assignment shall be considered void in the event the contemplated exchange is not completed.

United of Omaha will accept the transfer of these funds under the tax-free provision of IRC Section 1035. The funds will be placed in a non-qualified annuity or life policy.

The exchange shall be considered completed upon the expiration of the period of time, which begins with delivery of the new policy, during which I am permitted to cancel the new policy and obtain a refund.

Note the following if you are exchanging an old life insurance policy(ies) for a new life/annuity policy with United of Omaha:

The Technical and Miscellaneous Revenue Act of 1988 (TAMRA) created a new class of life insurance policies called Modified Endowment Contracts. A Modified Endowment Contract is a life insurance policy whose premiums exceed certain limits prescribed by this law. Certain changes to existing life insurance policies, called “material changes,” require a recalculation of the premiums to determine whether or not the new life insurance policy has become or will become a Modified Endowment Contract. This law defines a Section 1035 Exchange of life insurance policies as a “material change.” A Section 1035 Exchange does not make the new life insurance policy a Modified Endowment Contract. However, the exchange requires a recalculation to determine the amount of premiums that the policyowner can pay into the new policy and still receive favorable tax treatment.

If your premium payments exceed certain limits prescribed by this law, the new policy is a Modified Endowment Contract. All Modified Endowment Contracts retain the most important tax advantages of life insurance. Death benefits will continue to be received free of state and federal income tax in most instances and policy cash values will continue to accumulate income tax free as long as they remain in the policy. However, all policy loans, withdrawals, assignments and surrenders will be taxed as income to the policyowner to the extent of any gain in the contract. There is gain in the contract if the cash values of the policy exceed the investment in the policy (generally, the premium paid). In addition, the policyowner may be required to pay a 10% tax penalty on the taxable portion of any policy loan, withdrawal, assignment or surrender made by the policyowner prior to age 59 ½.

(continued on next page)

I also acknowledge that:

- (a) upon approval of the issue of the new policy, United will request the surrender of the old policy(ies) for its (their) cash value:
 - (1) the entire proceeds may be applied either as an initial premium or as additional premium for the new policy, or
 - (2) if the proceeds exceed the amount which can be accepted as premium for the new policy, the excess will be paid to me.
- (b) United is not obligated to make any premium payments on the old policy(ies) and, therefore, will not be liable if the old policy(ies) lapse for nonpayment of premium. If the exchange is not completed, and the old policy(ies) has lapsed because the premium has not been paid, I understand that I can reinstate my policy(ies) only upon fulfilling the requirements for reinstatement.
- (c) in the event that the old policy(ies) is(are) surrendered for its(their) cash value and I elect not to accept the new policy, I understand that United's only obligation will be to pay me an amount equal to the cash surrender value received from the old policy(ies).
- (d) United has consented to participate in this transaction solely to accommodate my wishes and has not assumed any liability by providing this form.
- (e) United's liability, if any, is set forth in the application and receipt dated _____.
- (f) it is my desire to make a tax-free exchange under Internal Revenue Code Section 1035. No representative of United has made any representations concerning the tax law, either federal or state, and how it applies to this transaction.
- (g) it may be possible to exchange multiple old policies for a single new policy under Section 1035 of the Internal Revenue Code. I understand that the Internal Revenue Code is unclear as to whether or not such a multiple exchange is taxable. I further understand that if I have any questions regarding the tax consequences of the exchange of multiple policies, I will seek the advice of a professional tax consultant.
- (h) if I have any questions regarding the tax consequences of this transaction, I will seek the advice of a professional tax consultant.

Each month, a preauthorized deduction is prepared for the exact amount of the premium and is sent to your financial institution. This is withdrawn from your account balance and will appear on your monthly statement. The automatic deduction will be sent to your financial institution on the specified day, and your premium is paid until the next month when the process is repeated.

It's that simple – so sign up today and your insurance payments will be conveniently paid.
