### NOTICE TO PROPOSED INSURED AND OWNER

### **DETACH AND LEAVE WITH PROPOSED INSURED(S)**

In this disclosure, "we", "us", "our", and "PLIC" refer to Pacific Life Insurance Company, its affiliates, and its subsidiaries. This brief description of our underwriting process is designed to help you understand how an application for life insurance, which may contain long-term care benefits, is handled, the types and sources of information we may collect about you, the circumstances under which we may disclose that information to others and your right, or that of your authorized representative, to learn the nature and substance of that information upon written request. The purpose of the underwriting process is to make sure you qualify for insurance under our rules, and assuming you do, establish the proper premium charge for that insurance. The goal of the underwriting process is to have the cost of insurance distributed equitably among all policyowners, so that each individual pays his or her fair share. To determine your insurability, we must consider such factors as your medical history, physical condition, occupation, and hazardous avocations. We get this information from various sources.

**Application and Medical Records** – Your application, including the medical history, is the primary source of information in the evaluation process. In addition, we may ask you to take a physical examination or other special test such as an electrocardiogram. We may also ask for a report from your doctor or hospital, another insurance company, or MIB, Inc. ("MIB", see below). When we do so, we will use the Authorization To Obtain Information that you signed. The purpose of MIB is to protect member companies, their policyowners, and insureds from those who would conceal significant facts relevant to their insurability.

MIB, Inc. – Information regarding your insurability will be treated as confidential. PLIC or its reinsurers may, however, make a brief report thereon to MIB, Inc., formerly known as Medical Information Bureau, a not-for-profit membership organization of insurance companies, which operates an information exchange on behalf of its members. If you apply to another MIB member company for life or health insurance coverage or a claim for benefits is submitted to such a company, MIB, upon request, will supply such company with the information about you in its file.

Upon receipt of a request from you, MIB will arrange disclosure of any information it may have about you in its file. Please contact MIB at 866-692-6901 (TTY 866-346-3642). If you question the accuracy of information in MIB's file, you may contact MIB and seek a correction in accordance with the procedures set forth in the federal Fair Credit Reporting Act. The address of MIB's information office is 50 Braintree Hill Park, Suite 400, Braintree, Massachusetts 02184-8734.

PLIC, or its reinsurers, may also release information from its file to other insurance companies to whom you may apply for life or health insurance, or to whom a claim for benefits may be submitted. Information for consumers about MIB may be obtained on its website at www.mib.com.

Federal Fair Credit Reporting Act — As part of our underwriting, we may ask that an investigative consumer report be prepared. An independent source known as a consumer reporting agency will prepare the report. The report will typically include information as to your character, general reputation, mode of living and personal characteristics, as well as information obtained from other data sources. ("Mode of living" does not include information related directly or indirectly to your sexual orientation.) The agency may conduct personal interviews with your family, friends, neighbors, business associates, financial sources, or others with whom you are acquainted in order to get this information. If you write to us within a reasonable time after you receive this notice, we will tell you whether or not a report was requested. If a report was requested, we will tell you the name, address and telephone number of the agency to whom the request was made. Upon request, the agency will furnish information as to the nature and scope of its investigation. If you would like to inspect and to receive a copy of the report, you may do so by contacting the agency directly.

- The Producer may retain a copy of your application, and if a policy is issued will have access to ongoing policy information to better serve your needs.
- If reinsurance is required, the reinsurance company would have access to our application file.
- We may release information to another insurance company to whom you have applied for life, long-term care, or health insurance or to whom you have submitted a claim for benefits, if you have authorized it to obtain such information.
- As stated earlier, we may report information to MIB.
- We will disclose information to government regulatory officials, law enforcement authorities, and others where required by law.

### **DISCLOSURE TO YOU**

In general, you have a right to learn the nature and substance of any personal information about you in our file upon written request. Whenever an adverse underwriting decision is made, we will notify you of the reason(s) for the decision and the source of the information upon which our action is based. Medical record information, however, will normally be given only to a licensed physician of your choice. Please refer to the section on MIB for that organization's disclosure procedure. Should you feel that any information we have is inaccurate or incomplete, please write to: Manager, New Business Services, Pacific Life Insurance Company, P.O. Box 42000, Lynchburg, VA 24506. Your comments will be carefully considered and corrections made where justified. We are concerned with ensuring privacy as well as lives, and the collection, use, and disclosure of personal information is limited as specified in this Notice.

### **HIV CONSENT FORM - CALIFORNIA**

### **HIV ANTIBODY TESTING CONSENT FORM**

To evaluate your insurability, the insurer may request a sample of your blood for testing and analysis to determine the presence of human immunodeficiency virus (HIV) antibodies. This test is a three-step protocol (ELISA, ELISA AND WESTERN BLOT). A positive test result does not mean that you have AIDS but that you are at significantly increased risk of developing problems with your immune system. A test for HIV antibodies is very sensitive. Errors are rare, but they do occur. Your private physician, the County Department of Health, the State Department of Health Services, local medical societies, or alternative test sites can provide you with further information on the medical implications of a positive test.

A positive HIV antibody test will result in your application for insurance being declined.

### CONFIDENTIALITY OF TEST RESULTS

All test results are required to be treated confidentially. They will be reported by the laboratory to the Insurer. The test results may be disclosed as required by law or may be disclosed to employees of the Insurer who have the responsibility to make underwriting decisions on behalf of the Insurer or to outside legal counsel who needs such information to effectively represent the Insurer in regard to your application. The results may be disclosed to a reinsurer, if the reinsurer is involved in the underwriting process. The test may be released to an insurance medical information exchange under procedures that are designed to assure confidentiality, including the use of general codes that also cover results of tests for other diseases or conditions not related to AIDS, or for the preparation of statistical reports that do not disclose the identity of any particular person.

Public health authorities urge that everyone become educated about how to protect themselves from HIV infection. If you have questions, you should contact the AIDS Counseling Resource Office in your area. These offices are listed below:

If your test results are negative, no routine notification will be sent to you. The insurance company will notify you if your test results are positive or if your results cannot be accurately determined. You should request that your results be sent to your private physician so that he can interpret them for you. If you do not have a personal physician and you wish to receive the results directly, we strongly urge you to contact one of the AIDS Counseling offices listed above, or the County Department of Health.

### NOTICE REGARDING STANDARDS FOR MEDI-CAL ELIGIBILITY AND RECOVERY

IF YOU OR YOUR SPOUSE ARE CONSIDERING PURCHASING A FINANCIAL PRODUCT BASED ON ITS TREATMENT UNDER THE MEDI-CAL PROGRAM, READ THIS IMPORTANT MESSAGE!

You or your spouse do not have to use up all of your savings before applying for Medi-Cal.

### Recovery

An annuity purchased on or after September 1, 2004, shall be subject to recovery by the state upon the annuitant's death under the regulations of the Medi-Cal Recovery Program. Income derived from the annuity must be used to meet the annuitant's share of costs and, if the annuitant is married, the income derived from the annuity may impact the minimum monthly maintenance needs of the annuitant's community spouse. An annuity purchased by a community spouse on or after September 1, 2004, may also be subject to recovery if that spouse is the recipient of past or future Medi-Cal benefits.

### **Unmarried Resident**

An unmarried resident may be eligible for Medi-Cal benefits if he or she has less than \$2,000 of in countable resources.

The Medi-Cal recipient is allowed to keep from his or her monthly income a personal allowance \$35 plus the amount of any health insurance premiums paid. The remainder of the monthly income is paid to the nursing facility as a monthly share of cost.

### **Married Resident**

Community Spouse Resource Allowance: If one spouse lives in a nursing facility, and the other spouse does not live in a facility, the Medi-Cal program will pay some or all of the nursing facility costs as long as the couple together does not have more than \$109,560 in countable resources.

Minimum Monthly Maintenance Needs Allowance: If a spouse is eligible for Medi-Cal payment of nursing facility costs, the spouse living at home is allowed to keep a monthly income of at least his or her individual monthly income or \$2,739 in monthly income, whichever is greater.

### **Fair Hearings and Court Orders**

Under certain circumstances, an at-home spouse can obtain an order from an administrative law judge or court that will allow the at-home spouse to retain additional resources or income. The order may allow the couple to retain more than \$109,560 in countable resources. The order also may allow the at-home spouse to retain more than \$2,739 in monthly income.

### **Real and Personal Property Exemptions**

Many of your assets may already be exempt. Exempt means that the assets are not counted when determining eligibility for Medi-Cal.

### **Real Property Exemptions**

• One Principal Residence. One property used as a home is exempt. The home will remain exempt in determining eligibility if the applicant intends to return home someday.

The home also continues to be exempt if the applicant's spouse or dependent relative continues to live in it.

Money received from the sale of a home can be exempt for up to six months if the money is going to be used for the purchase of another home.

• Real Property Used In A Business or Trade. Real estate used in a trade or business is exempt regardless of its equity value and whether it produces income.

### **Personal Property and Other Exempt Assets**

- IRAs, KEOGHs, and Other Work-Related Pension Plans. These funds are exempt if the family member whose name it is in does not want Medi-Cal. If held in the name of a person who wants Medi-Cal and payments of principal and interest are being received, the balance is considered unavailable and is not counted. It is not necessary to annuitize, convert to an annuity, or otherwise change the form of the assets in order for them to be unavailable.
- Personal Property used in a trade or business.
- One motor vehicle.
- Irrevocable Burial Trusts or Irrevocable Prepaid Burial Contracts

There may be other assets that may be exempt.

This is only a brief description of the Medi-Cal eligibility rules. For more detailed information, you should call your county welfare department. Also, you are advised to contact a legal services program for seniors or an attorney who is not connected with the sale of this product.

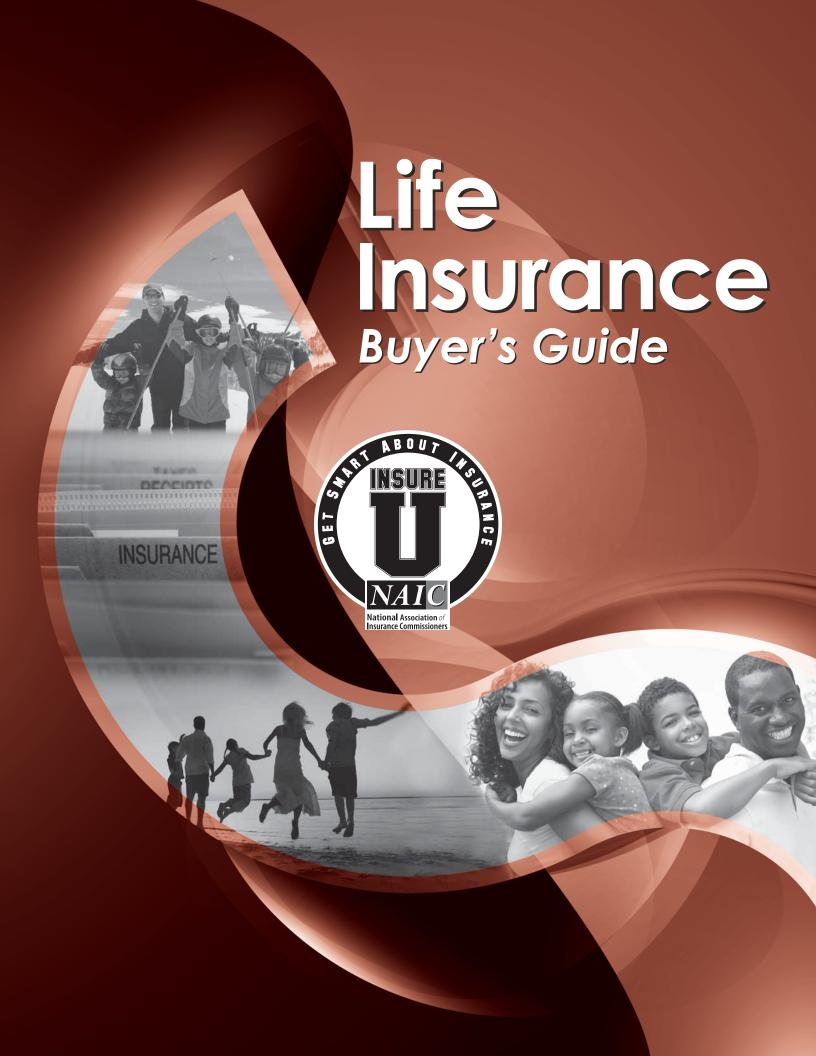

**Please note:** If you seek Medi-Cal payment for nursing facility services, you may be ineligible for those services if payments from your annuity extend beyond your life expectancy based upon life expectancy tables adopted by the Department of Health Care Services for this purpose. To find out about these tables, you may contact your local county welfare department.

Finally, the Department of Health Care Services is currently refining its policy regarding the treatment of annuities when determining eligibility for nursing facility services. Any regulatory changes will only impact annuities that are purchased after the effective date of any regulatory amendments.

Different rules apply to annuities that are qualified retirement arrangements established pursuant to Title 26, Internal Revenue Code, Subtitle A, Chapter 1, Sub-chapter D, Part 1. In some circumstances, Medi-Cal does not count funds held in an IRA, Keogh, or other work-related retirement arrangements, you may contact your local county welfare department.

I have read the above notice and have received a copy.

# Life Insurance Buyer's Guide

## Before You Buy Life Insurance

### **Understand What Life Insurance Is**

Life insurance pays a death benefit if you die while the policy is in effect, in exchange for premiums you pay before your death. You can use the death benefit to protect against financial hardships such as loss of your income, funeral expenses, medical or nursing care expenses, debt repayments, and child care costs after your death. You can get information from the NAIC InsureU Life Insurance website --

www.insureuonline.org/insureu\_type\_life.htm

# If You Need Life Insurance, Decide How Much Coverage to Buy

How much life insurance to buy depends on the financial needs that will continue after your death. Examples include supporting your family, paying for child(ren)'s education, and paying off a mortgage. Some questions you may want to ask about your own needs include:

- Does anyone depend on me financially?
- How much of the family income do I provide?
- How will my family pay my final expenses and repay debts after my death?
- Do I want to leave money to charity or family?
- If I have life insurance through my employer, is it enough to meet my financial obligations?

The answers to these questions can help you decide how much coverage you need. An insurance agent, financial advisor, or insurance company representative can help you evaluate your insurance needs and give you information about available policies.

### If You Already Have Life Insurance, Assess Your Current Life Insurance Policy

It's important to compare your current policy with any new policy you might buy. Keep in mind that you may be able to change your current policy to get benefits you want. Also, know that any changes in your health may impact your ability to get a new policy or the premium you'll pay. Don't cancel your current policy until you get the new one.

Also, while you may have free or low-cost life insurance through your employer, the death benefit usually is less than you need. And if you leave the employer, you may not be able to take this coverage with you.

# Compare the Different Types of Insurance Policies

There are many types of life insurance policies. You should choose a policy with features that fit your individual needs. Some things to consider are:

• Term Insurance vs. Cash Value Insurance. Term insurance is intended to provide lower-cost coverage for a specific period of time ("a term"). If you want coverage for a longer period of time, such as for your lifetime, cash value insurance may be more cost effective. Most term policies don't build up cash values that you can use in the future.

- Renewable Term vs. Non-renewable Term. Most term life insurance coverage can be continued ("renewed") at the end of the term, even if your health has changed. If you renew a term policy, the new premiums are higher. Ask what the premiums will be before you renew the policy. Also ask if you'll lose the right to renew the policy at a certain age. A Non-renewable term policy can't be continued. You'll have to apply for a new policy if you still want coverage.
- Whole Life vs. Universal Life. Whole life and universal life insurance are two types of cash value insurance. A key difference between the two is how you pay for the coverage. You typically pay premiums for whole life insurance according to a set schedule. In a universal life policy, you can choose a flexible premium payment pattern as long as you pay enough to keep your policy in force.

### · Variable Life vs. Non-variable Life. The

investments you will choose (such as stock and bond funds) in a variable life policy directly impact your cash value. These policies have the greatest potential to build cash value but also the greatest risk of losing cash value. Non-variable life policies often have guaranteed minimums for some features (interest or cash value, for example) but not all. Non-variable life policies also have less potential to build cash value than variable life policies.

# Life Insurance Buyer's Guide

# Be Sure You Can Afford the Premium

Before you buy a life insurance policy, be sure you can pay the premiums. Can you afford the initial premium? If the premium increases later, will you still be able to afford it? The premiums for many life insurance policies are sensitive to changes in the company's investment earnings, claims costs, and other expenses. If those are worse than expected, you may have to pay a much higher premium. Ask what might be the highest premium you'd have to pay to keep your coverage.

# Understand the Application Process

You can apply for life insurance through life insurance agents, the mail, and online. In addition to basic information, such as your

name, address, employer, job title, and date of birth, you'll be asked for more personal information. Depending on the type of policy, the insurer may require you to see a doctor, answer health-related questions, or have a medical professional come to your home or office to assess your health. Usually a policy that doesn't require detailed health information will cost more and provide less coverage than one that does.

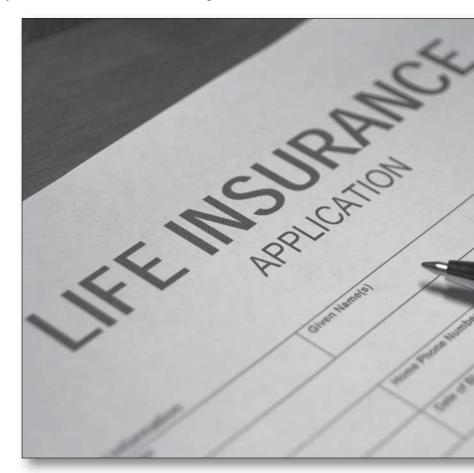

It's important to tell the truth on the application. The insurance company will check your answers so review the application before you sign. If the insurance company discovers false statements on your application after it issues your policy, it could reduce or cancel your coverage.

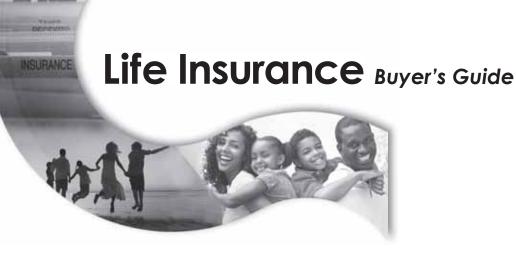

### Choose a Beneficiary

A beneficiary is the person(s) or organization(s) you name to receive your life insurance policy's death benefit. You'll need to know the Social Security or tax identification number for all beneficiaries. Experts advise you not to name a minor child as a beneficiary. Insurance companies won't pay a minor. Instead, consider leaving the money to your estate or trust.

### **Evaluate the Future of Your Policy**

Does your policy have a cash value? In some cash value policies, the values are low in the early years but build later on. In other policies the values build up gradually over the years. Most term policies have no cash value. Ask your insurance agent, financial advisor, or an insurance company representative for an illustration showing future values and benefits.

# After You Buy Life Insurance

### **Read Your Policy Carefully**

After you carefully read your policy, you should be able to answer the following important questions:

- Is your personal information correct?
- Do premiums or policy values vary from year to year?
- What part of the premium or policy value isn't guaranteed?
- How will the timing of money paid and received affect any interest the policy might earn?

Your insurance agent, financial advisor, or an insurance company representative can help you understand anything that isn't clear.

If you're not satisfied with your new policy, you can return it for a full refund within a certain period, usually 10 days after you receive it. The review period usually is stated on the first page of the policy.

# Review Your Life Insurance Program Every Few Years

Review your policy with your insurance agent, financial advisor, or an insurance company representative every few years to keep up with changes in your policy and your needs.

- Have the premiums or benefits changed since your policy was issued?
- Do the death benefits still meet your needs?
- Do you need more or less coverage after life events, such as birth, adoption, marriage, job change, death, or divorce?

The insurance company can provide policy statements and illustrations to help with this review. As the policy owner, you can change beneficiaries at no cost. Be sure to review your beneficiaries every few years, especially after major life events that affect your life insurance needs.

The consideration for temporary insurance is the Temporary Insurance Application and payment of an amount equal to the first modal premium for the plan applied for. **Limited Amount.** The Limited Amount is the lesser of: (1) the Amount of Insurance applied for in the Application - Part I; and (2) \$1,000,000 minus the amount of any insurance on the Proposed Insured's life in force with the Insurer under any policies, conditional receipts, or temporary insurance agreements.

**Start Date.** Temporary insurance equal to the Limited Amount will begin on the Start Date subject to the terms of this TIAA. The Start Date is the Date of this TIAA.

**Stop Date - 90 Day Maximum.** Temporary insurance automatically ends on the Stop Date and the entire amount remitted will be returned without interest to or for the benefit of the Owner. The Stop Date is the earliest of the following: (1) the date the Owner withdraws the application; (2) 45 days after the Start Date if the Insurer has **not** received a properly completed and signed Application Part II — Medical History and all medical examinations and tests required by the Insurer as set forth in its Initial Submission Guidelines; (3) the date the Owner refuses to accept any policy issued or offered; (4) the date the Insurer sends notice to the Owner at the address shown in the Application - Part I that the Insurer has declined to issue insurance; and (5) 90 days after the Start Date.

**Policy Date.** The Policy Date of any policy issued will be the Start Date unless the policy is backdated at the Owner's request. The Amount Remitted will be applied to the first modal premium for the policy. Upon policy delivery, the policy will replace this TIAA and coverage will continue under the policy without interruption.

**Other Limitations.** The Insurer's liability will be limited to a return of the Amount Remitted if: (1) any part of the life insurance application or this TIAA contains a misrepresentation material to the Insurer; or (2) the Proposed Insured dies by suicide.

# DISCLOSURE STATEMENT FOR ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS

### **Rider Benefit**

This Rider provides for the early payment of part of the Policy's Death Proceeds. The Accelerated Death Benefit does not qualify as long term care insurance nor is it intended to qualify as such. We will make this Accelerated Death Benefit payment to the Owner of the Policy upon receiving proof that the Insured's life expectancy does not exceed twelve months.

The Owner may make only one request for an accelerated payment. We must receive, in writing, acknowledgement of and Consent for payment under this Rider from any irrevocable beneficiary and any collateral assignee of the Policy before making any payment.

There is no premium or cost of insurance charge for this Rider; however, an administrative fee is deducted before payment.

### **Consequences of Receiving Accelerated Death Benefit Payment**

This Accelerated Death Benefit was not designed for any specific type of favorable tax treatment; such payment may be considered taxable income. A payment may also adversely affect the recipient's eligibility for Medicaid benefits or other state or federal government benefits or entitlements. The Owner should contact a qualified tax advisor and the appropriate government agencies before electing to receive a payment.

### **Amount of Benefit Available**

The Owner requests the amount of Accelerated Death Benefit. Generally, the largest amount available is the benefit maximum minus any Loan Balance. This benefit maximum is the lesser of (a) and (b) where (a) is the amount equal to any Loan Value as defined in the Policy plus 75% of the difference between the Face Amount of the Policy and any Loan Value and (b) is the Maximum Accelerated Amount as shown in your Policy Specifications, which is the lesser of \$500,000 or the Policy's Face Amount. The benefit maximum can vary by state, however, and is defined by the Rider.

We will deduct an administrative fee from the Accelerated Death Benefit prior to payment to the Owner.

### **Effect of an Accelerated Death Benefit Payment**

The Accelerated Death Benefit will be treated as a lien against the Death Proceeds of the Policy. Any Policy Value, if applicable under the Policy, is not impacted. However, this lien will reduce the Policy's Death Proceeds and limit the availability of any applicable surrender benefit, future policy loans and withdrawals under the Policy.

We will charge interest on the lien. We will charge interest at the policy loan interest rate(s), if any, stated in the Policy on the portion of the lien amount equal to any Loan Value. We will charge interest on the portion of the lien amount that exceeds any Loan Value at a rate not exceeding the greater of: (a) the current yield on a 90-day treasury bill; and (b) is the maximum fixed annual rate of 8% or a variable rate determined in accordance with the NAIC Model Policy Loan Interest Rate Bill, model #590.

Policy and rider premiums will not be reduced after an Accelerated Death Benefit payment and will remain payable. Any premiums due and unpaid will be added to the lien.

No matter how long the Insured lives, the Policy will not terminate as a result of a payment under this Rider unless the lien equals or exceeds the Death Proceeds. The Owner may repay all or part of the lien subject to the terms of the Rider.

### **Sample Illustration**

Below is a sample illustration of the effect of an Accelerated Death Benefit payment. This illustration shows the effect on the Death Proceeds immediately after the Accelerated Death Benefit payment has been made and 3 months after payment of the Accelerated Death Benefit.

This sample illustration assumes: (1) \$800,000 Face Amount; (2) \$0 loan value; (3) no policy loans or Loan Balance; (4) the maximum Accelerated Death Benefit is elected; (5) the policy loan interest rate is 4.50%; (6) the lien interest rate is 8.00%; and (7) the quarterly premiums are \$500.
