**Notice and Consent for
HIV-Related Testing
CALIFORNIA**

Acquired Immunodeficiency Syndrome (AIDS) is a life-threatening disorder of the immune system. It is caused by a virus called Human Immunodeficiency Virus (HIV). The virus is spread by sexual contact with an infected person, by exposure to infected blood (as in needle sharing during intravenous drug use or, rarely, as a result of a blood transfusion), or from an infected mother to her newborn infant. It may take a few weeks to many years for symptoms to appear but they usually include fever, diarrhea, tiredness and enlarged lymph glands.

To evaluate your insurability, the Insurer designated above (the "Insurer") has requested that you provide a sample of your bodily fluid(s) for testing and analysis to determine the presence of HIV antibodies. Antibodies to HIV are produced by the body of a person who has been infected with HIV. Antibodies are the body's way of fighting the infection. By signing and dating this Consent, you agree that this test may be done.

The HIV Antibody Test

A series of tests will be performed by a licensed laboratory through a medically accepted procedure. The most commonly used tests are the ELISA or "EIA" and the Western blot. If the ELISA shows the sample is positive for HIV, then the Western blot is done to confirm that initial result.

The HIV antibody test is extremely accurate. However, in rare instances the test may be positive in persons who are not infected with the virus. Additionally the test may be negative in persons who are infected with HIV.

Meaning of Test Results

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities say that persons who are HIV antibody/antigen positive should be considered infected with the AIDS virus and capable of infecting others. A positive HIV antibody test result will probably mean you will be declined for the insurance for which you are applying.

A negative test result means no antibodies to the HIV virus were found. Because of varying incubation periods, absence of HIV antibodies does not mean that you have not been infected with the virus. Absence of HIV antibodies does not mean that you cannot get the virus in the future.

Counseling

Many public health organizations have recommended that before taking an HIV-related test, a person seek counseling to become informed concerning the implications of such a test. You may wish to consider counseling, at your expense, prior to being tested. Public health authorities urge that everyone become educated about how to protect themselves from HIV infection. If you have questions or concerns, you may wish to consult your physician or health care provider. A list of counseling resources is provided for your information. Other counseling services may also be available to you.

**Notice and Consent for
HIV-Related Testing
CALIFORNIA**

Confidentiality of Test Results

All test results are required to be treated confidentially. They will be reported by the laboratory to the Insurer. The test results may be disclosed as required by law or may be disclosed to employees of the Insurer who have the responsibility to make underwriting or claims decisions on behalf of the Insurer, or to outside legal counsel who needs such information to effectively represent the Insurer. Negative test results may be disclosed to a reinsurer, if the reinsurer is involved in the underwriting process. The test results may be released to an insurance medical information exchange under procedures that are designed to assure confidentiality, including the use of general codes that also cover results of tests for other diseases or conditions not related to AIDS, or for the preparation of statistical reports that do not specifically disclose that you were subject to testing related to the human immunodeficiency virus. The release for disclosures discussed in this paragraph will be effective for 2 1/2 years from the date you sign this Consent.

Notification of Test Results

If your test results are negative, no routine notification will be sent to you. If your test results are other than negative, you are entitled to that information. Because a trained person should deliver that information so that you can understand clearly what the test result means, you are asked to list your physician or health care provider so that the Insurer can have him or her tell you the test result and explain its meaning. If you do not have a private physician, the test results can be sent directly to you, marked "Personal & Confidential", at your residence address.

Terminal Illness Accelerated Death Benefit Disclosure

☐ Transamerica Life Insurance Company

☐ Transamerica Premier Life Insurance Company

Home Office: 4333 Edgewood Road NE, Cedar Rapids, IA 52499

This disclosure form provides a brief description of accelerated death benefits that may be available under your policy. For details of the benefits available and your rights and obligations under the policy, please read your policy carefully. Accelerated death benefits are payments made to you during the lifetime of the Insured in lieu of payment of the full death benefit of the policy.

Terminally Ill or Terminal Illness means the Insured has a medical condition, resulting from bodily injury or disease, or both, which is expected to result in the death of the Insured within 12 months of diagnosis.

Conditions Under which Accelerated Benefits May be Elected: If the Insured becomes Terminally Ill while the policy and rider/endorsement are in effect, you may elect to receive an Accelerated Death Benefit payment subject to the provisions of the policy and rider/endorsement and the following conditions:

1. You must provide us with a Physician's certification of Terminal Illness dated within 30 days of the Accelerated Death Benefit request; and
2. The policy and the rider/endorsement must be in effect at the time of your Accelerated Death Benefit request; and
3. The Face Amount of the policy at the time of the Accelerated Death Benefit request must exceed the minimum required by the Accelerated Death Benefit rider/endorsement; and
4. We must receive the written consent of all irrevocable Beneficiaries (if any) and all assignees (if any) in a form acceptable to us.

Charges for Accelerated Death Benefits: There is no premium charge for the Accelerated Death Benefit rider/endorsement, however, an administrative charge and interest discount will be assessed as part of the calculation of an Accelerated Death Benefit payment.

Effect of the Accelerated Death Benefit on the Policy: The policy's benefits and values, as those amounts exist on the date the Accelerated Death Benefit is paid, will be reduced after payment of an Accelerated Death Benefit. The premium and/or charges and monthly deductions, as applicable, for the policy and any affected riders will also be adjusted after an Accelerated Death Benefit is paid.

Payment of Accelerated Benefits will reduce the death benefit otherwise payable under the policy. Payment of an Accelerated Death Benefit may affect eligibility for Medicaid or other government benefits and entitlements. Accelerated Death Benefits do not and are not intended to qualify as long-term care insurance.

We intend that payments we make under the Accelerated Death Benefit options will receive favorable tax treatment; however, there are circumstances when receipt of an Accelerated Death Benefit payment may be taxable. Please consult your personal tax advisor to determine the tax status of any benefits paid under these options.

By signing below, you agree that you have read the above and received a copy of this disclosure form.

AUTHORIZATION FOR PARTICIPATION IN THE PAC PROGRAM

I request and authorize Transamerica Life Insurance Company (the Company) to make withdrawals, by draft or electronic transfer, from my account with the Financial Institution named above for premiums in the amounts specified above, or as specified by the policy (including any amendments, endorsements or riders), or as agreed to by me, and for such other payments as I may authorize the Company to make. I request that the withdrawal be on or before the days when payment(s) fall due, except that if a withdrawal is to pay for premiums on more than one policy, it is to be drawn on the earliest due date. I request that this authorization, unless previously revoked, continue to apply to any conversion, renewal, or change later made in the policies. I understand that this authorization in no way affects the terms of the policy, other than the mode of payment, and I understand that if the premiums are not paid within the grace period allowed by a policy, as in the event any such withdrawal being dishonored, or for any reason, then the policy shall terminate subject to any nonforfeiture provisions in the policy.

AUTHORIZATION TO HONOR PAC WITHDRAWALS

As a convenience to me, I hereby request the financial institution named above to accept and honor the draft or transfer withdrawals from my account. I agree that your rights in respect to each draft or transfer shall be the same as if it were a check drawn on you and signed personally by me and that you shall be fully protected in honoring such draft or transfer. I further agree that if any such withdrawal is dishonored, whether with or without cause and whether intentionally or inadvertently, the Financial Institution shall be under no liability whatsoever if such dishonor results in the forfeiture of insurance.

These authorizations shall remain in effect until revoked in writing, mailed to the other parties at the address of record. The Company and/or Financial Institution shall have a reasonable time to act on the revocation notice. I have retained a copy of these authorizations.
