DECLARATIONS

The Proposed Insured (or Parent or Guardian) and Policy Owner declare that the statements and answers in this application and any form that is made part of this application are complete and true to the best of their knowledge and belief. All such statements and answers are representations, not warranties.

In addition, I/we understand and agree that:

1. **Policy Application:** The statements and answers in this application, which include any supplemental form relating to health, aviation practices or lifestyle of the Proposed Insured, will become part of the insurance policy issued as a result of this application. No information about me will be considered to have been given to The Company unless it is stated in the application or any form that is made part hereof.
2. **Policy Effective Date:**
 - a) Any life insurance policy issued as a result of this application will be effective on the later of the date the first premium has been paid in full and the date the policy has been delivered to the Policy Owner, provided that the Proposed Insured is still living and to the best of the knowledge and belief of the Policy Owner and Proposed Insured nothing has occurred that would require a change in any statement or answer in any part of the application, including any supplemental forms, in order to make the statement or answer true and complete as of the date this policy becomes effective. If there has been such an occurrence: (i) if there is no Temporary Life Insurance Agreement (TIA) coverage, the policy will not be put into effect, and (ii) if there is TIA coverage and the TIA has not ended, the policy will be put into effect but only to the limit of the TIA coverage amount.
 - b) If premiums are paid prior to delivery of the policy and the terms and conditions of the TIA are satisfied, insurance prior to the effective date shall be provided under the TIA and according to its terms.
 - c) Only an officer of The Company may make, modify, or discharge any insurance contract on its behalf. No agent has the authority to: (i) accept risks; (ii) determine insurability; (iii) make or modify any contractual provision; or (iv) waive any of The Company's rights or requirements.
3. **Employer Owned Policies:** The Proposed Insured confirms that they have received, prior to issue, written notice that indicates: (i) the employer's intent to insure the Proposed Insured, (ii) the maximum amount of the insurance to be issued on the life of the Proposed Insured and (iii) that the employer will be the beneficiary of the new policy. The Proposed Insured also confirms that they have provided written consent to being insured and that such coverage may continue after employment terminates.
4. **Fraud Warning:** Any person who knowingly presents a false statement in an application for insurance may be guilty of a criminal offense and subject to penalties under state law.
5. **Variable Policies:** I/We acknowledge that the policy values that are based on the separate account assets are not guaranteed and will decrease or increase with investment experience. I/We acknowledge receipt of the current prospectuses and supplements that describe the variable life insurance policy applied for and the sub-accounts of the separate account that are available under this policy. I/We have reviewed the prospectuses and supplements and believe that the variable life policy is consistent with my/our insurance needs, investment objectives and investment risk tolerance.
6. **Flexible Premium Policies:** I/We understand that I/we may need to pay additional premiums in addition to the Planned Premium if the current policy charges or actual interest rate credited/investment performance are different from the assumptions used in the illustration (assuming the requirements of any applicable guaranteed death benefit feature have not been satisfied).
7. **Temporary Insurance Coverage:** If coverage under a TIA is applied for, I have received, read and understand the terms and conditions of the Temporary Life Insurance Receipt and Agreement NB5004.
8. **Healthy Engagement Benefit:** If a policy is issued with the Healthy Engagement rider or benefit (the Benefit), the Proposed Insured will receive a membership in a healthy engagement program offered by a third party program provider. By applying for the Benefit, the Proposed Insured authorizes The Company to share his/her personal information, including certain health information, with the provider in connection with the registration for the program and administration of the Benefit. The Proposed Insured understands and agrees that (i) his/her program membership will be subject to the provider's privacy policy and terms and conditions of membership, which the Proposed Insured should read prior to joining the program, and (ii) he/she will be asked to authorize the provider to share his/her health, lifestyle, medical or other personal information with The Company. The Proposed Insured will not be eligible to participate in the program if the terms and conditions of membership are not accepted. Upon termination of the policy or rider, as applicable, the program membership will terminate and access to further benefits and incentives, if any, will cease as provided in the terms and conditions. The Company is not responsible or liable for any damage, loss or injury arising out of the Proposed Insured's participation in any third party healthy engagement programs or receipt of any products or services provided through such programs.

I, THE PROPOSED INSURED, AUTHORIZE:

1. The Company to obtain consumer reports including but not limited to motor vehicle records and investigative consumer reports on me.
2. Any medical professional, medical care provider, hospital, clinic, laboratory, pharmacy or pharmacy benefit manager, electronic health record provider, insurance company, or the MIB, Inc. to disclose health information about me/us or any minor child/children who are to be insured. Health information includes: (i) my entire medical record and medical history, prescription history, and other health information; (ii) confidential information related to communicable diseases and mental illness (excluding psychotherapy notes) and (iii) genetic information and genetic test results, to the extent permitted by law. This authorization excludes the release of any information relating to the performance or results of prior HIV or HIV-related tests, except such tests that were conducted in connection with obtaining insurance. Nothing in this caveat will prohibit the release of records that reveal that a Proposed Insured(s) has AIDS.
3. Any financial professional, CPA, attorney, personal banker or any other similar person or organization to disclose financial/net worth information about me.

Such disclosure of my information may be made to The Company, its affiliated companies, agents, service providers, reinsurers, MIB or any person or entity entitled to receive such information by law or as I may further consent.

Proposed Life Insured

Name First Middle Last

According to your application and the information that you have furnished, you intend to lapse or otherwise terminate existing accident and sickness or long-term care insurance and replace it with a long-term care rider to an individual life insurance policy to be issued by John Hancock Life Insurance Company (U.S.A.). Your new coverage provides thirty (30) days within which you may decide, without cost, whether you desire to keep the coverage. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new coverage.

1. Health conditions which you may presently have (pre-existing conditions), may not be immediately or fully covered under the new coverage. This could result in denial or delay in payment of benefits under the new coverage, whereas a similar claim might have been payable under your present coverage.

2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present coverage. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.

3. If, after due consideration, you still wish to terminate your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical health history. Failure to include all the material medical information on an application may provide a basis for The Company to deny any future claims and to refund your premium as though your coverage had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

The "Notice to Applicant" was delivered to me on: mm dd yyyy

Make sure you know the facts. Contact your existing company or its agent/registered representative for information about the old policy. (If you request one, an inforce illustration, policy summary or available disclosure documents must be sent to you by the existing insurer.) Ask for and retain all sales material used by the agent/registered representative in the sales presentation. Be sure that you are making an informed decision.

AGENT'S STATEMENT

4. The existing policy or contract is being replaced because

REMINDER TO AGENT/REGISTERED REPRESENTATIVE: John Hancock's policy concerning replacement appears in the "Agent's Code of Conduct" and states: The "Replacement" of existing policies should only occur when it is demonstratively in the best interest of the client and in compliance with all applicable state and Company requirements. You must disclose all of the advantages and disadvantages of any replacement. The client must fully understand the financial consequences of this action and, where required by regulation, Company policy or industry practice, consent to it in writing. You must indicate on every application for new coverage whenever a replacement is involved in that sale.

REPLACEMENT ISSUES

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the cost and benefits of your existing policy and the proposed policy. One way to do this is to ask the company or agent that sold you your existing policy to provide you with information concerning your existing policy. This may include an illustration of how your existing policy is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies. You should discuss the following with your agent/registered representative to determine whether replacement or financing your purchase makes sense.

PREMIUMS

- Are they affordable?
- Could they change?
- You're older – are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid. You will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

INSURABILITY

- If your health has changed since you bought your old policy, the new one could cost you more, or your application could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS

- What are the tax consequences of buying the new policy?
- Is this a tax free exchange? (Ask your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

COMPARISON OF EXISTING AND PROPOSED POLICY

ALL questions must be answered.

7. In comparison with the existing policy, indicate the appropriate answer to the following questions. On the new policy:

- | | | | |
|---|------------------------------|-----------------------------|---|
| a) Is the guaranteed death benefit higher? | <input type="checkbox"/> Yes | <input type="checkbox"/> No | <input type="checkbox"/> Not applicable |
| b) Are the guaranteed cash values higher? | <input type="checkbox"/> Yes | <input type="checkbox"/> No | <input type="checkbox"/> Not applicable |
| c) Is the guaranteed interest rate higher? | <input type="checkbox"/> Yes | <input type="checkbox"/> No | <input type="checkbox"/> Not applicable |
| d) Is the face amount higher? | <input type="checkbox"/> Yes | <input type="checkbox"/> No | <input type="checkbox"/> Not applicable |
| e) Is the annual premium lower? | <input type="checkbox"/> Yes | <input type="checkbox"/> No | <input type="checkbox"/> Not applicable |
| f) Is the loan interest rate lower? | <input type="checkbox"/> Yes | <input type="checkbox"/> No | <input type="checkbox"/> Not applicable |
| g) Is the underwriting classification more favorable? | <input type="checkbox"/> Yes | <input type="checkbox"/> No | <input type="checkbox"/> Not applicable |
| h) Will any ownership problems be resolved? | <input type="checkbox"/> Yes | <input type="checkbox"/> No | <input type="checkbox"/> Not applicable |
| i) Will any beneficiary problems be resolved? | <input type="checkbox"/> Yes | <input type="checkbox"/> No | <input type="checkbox"/> Not applicable |

You have a "free-look" period within which to examine the proposed policy. If you are not satisfied, you can return it for a full refund within the period stated in the new policy.

CAUTION

If, after studying the information made available to you, you decide to replace the existing life insurance with our life insurance policy, you are urged not to take action to terminate or alter your existing life insurance coverage until after you have been issued the new policy, examined it and have found it to be acceptable to you. If you should terminate or otherwise materially alter your existing coverage and fail to qualify for the life insurance for which you have applied, you may find yourself unable to purchase other life insurance or you may only be able to purchase it at substantially higher rates.
