DECLARATIONS

The Proposed Insured (or Parent or Guardian) and Policy Owner declare that the statements and answers in this application and any form that is made part of this application are complete and true to the best of their knowledge and belief. All such statements and answers are representations, not warranties.

In addition, I/we understand and agree that:

1. **Policy Application:** The statements and answers in this application, which include any supplemental form relating to health, aviation practices or lifestyle of the Proposed Insured, will become part of the insurance policy issued as a result of this application. No information about me will be considered to have been given to The Company unless it is stated in the application or any form that is made part hereof.
2. **Policy Effective Date:**
   - **a)** Any life insurance policy issued as a result of this application will be effective on the later of the date the first premium has been paid in full and the date the policy has been delivered to the Policy Owner, provided that the Proposed Insured is still living and to the best of the knowledge and belief of the Policy Owner and Proposed Insured nothing has occurred that would require a change in any statement or answer in any part of the application, including any supplemental forms, in order to make the statement or answer true and complete as of the date this policy becomes effective. If there has been such an occurrence: (i) if there is no Temporary Life Insurance Agreement (TIA) coverage, the policy will not be put into effect, and (ii) if there is TIA coverage and the TIA has not ended, the policy will be put into effect but only to the limit of the TIA coverage amount.
   - **b)** If premiums are paid prior to delivery of the policy and the terms and conditions of the TIA are satisfied, insurance prior to the effective date shall be provided under the TIA and according to its terms.
   - **c)** Only an officer of The Company may make, modify, or discharge any insurance contract on its behalf. No agent has the authority to: (i) accept risks; (ii) determine insurability; (iii) make or modify any contractual provision; or (iv) waive any of The Company's rights or requirements.
3. **Employer Owned Policies:** The Proposed Insured confirms that they have received, prior to issue, written notice that indicates: (i) the employer's intent to insure the Proposed Insured, (ii) the maximum amount of the insurance to be issued on the life of the Proposed Insured and (iii) that the employer will be the beneficiary of the new policy. The Proposed Insured also confirms that they have provided written consent to being insured and that such coverage may continue after employment terminates.
4. **Fraud Warning:** Any person who knowingly presents a false statement in an application for insurance may be guilty of a criminal offense and subject to penalties under state law.
5. **Variable Policies: I/We acknowledge that the policy values that are based on the separate account assets are not guaranteed and will decrease or increase with investment experience.** I/We acknowledge receipt of the current prospectuses and supplements that describe the variable life insurance policy applied for and the sub-accounts of the separate account that are available under this policy. I/We have reviewed the prospectuses and supplements and believe that the variable life policy is consistent with my/our insurance needs, investment objectives and investment risk tolerance.
6. **Flexible Premium Policies**: I/We understand that I/we may need to pay additional premiums in addition to the Planned Premium if the current policy charges or actual interest rate credited/investment performance are different from the assumptions used in the illustration (assuming the requirements of any applicable guaranteed death benefit feature have not been satisfied).
7. **Temporary Insurance Coverage:** If coverage under a TIA is applied for, I have received, read and understand the terms and conditions of the Temporary Life Insurance Receipt and Agreement NB5004.
8. **Healthy Engagement Benefit:** If a policy is issued with the Healthy Engagement rider or benefit (the Benefit), the Proposed Insured will receive a membership in a healthy engagement program offered by a third party program provider. The Proposed Insured understands and agrees that (i) his/her program membership will be subject to the provider's privacy policy and terms and conditions of membership, which the Proposed Insured should read prior to joining the program, and (ii) he/she will be asked to authorize the provider to share his/her health, lifestyle, medical or other personal information with The Company. This brief description of our underwriting process is designed to help you understand how an application for life insurance is handled, the types and sources of information we may collect about you, the circumstances under which we may disclose that information to others, and your right to learn the nature and substance of that information upon written request.

The purpose of the underwriting process is to make sure that you qualify for life insurance and if so, to establish the proper premium charge for that insurance. The information necessary to evaluate your application is dependent upon your age, the amount of insurance you are applying for, your medical history, your occupation, your avocations and other personal information. Your answers on the application are the principal source of information; however, additional sources of information may be required.

Information regarding your insurability will be treated as confidential. The Company or its reinsurers may, however, make a brief report thereon to the MIB, Inc., a not-for-profit membership organization of life insurance companies, which operates an information exchange on behalf of its members.

If you apply to another MIB member company for life or health insurance coverage, or a claim for benefits is submitted to such a company, MIB, upon request, will supply such company with the information in its file.

Upon receipt of a request from you, MIB will arrange disclosure of any information it may have in your file. Please contact MIB at 866-692-6901. Make sure you know the facts. Contact your existing company or its agent/registered representative for information about the old policy. (If you request one, an inforce illustration, policy summary or available disclosure documents must be sent to you by the existing insurer.) Ask for and retain all sales material used by the agent/registered representative in the sales presentation. Be sure that you are making an informed decision.

AGENT'S STATEMENT

4. The existing policy or contract is being replaced because

REMINDER TO AGENT/REGISTERED REPRESENTATIVE: John Hancock's policy concerning replacement appears in the "Agent's Code of Conduct" and states: The "Replacement" of existing policies should only occur when it is demonstratively in the best interest of the client and in compliance with all applicable state and Company requirements. You must disclose all of the advantages and disadvantages of any replacement. The client must fully understand the financial consequences of this action and, where required by regulation, Company policy or industry practice, consent to it in writing. You must indicate on every application for new coverage whenever a replacement is involved in that sale.

REPLACEMENT ISSUES

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the cost and benefits of your existing policy and the proposed policy. One way to do this is to ask the company or agent that sold you your existing policy to provide you with information concerning your existing policy. This may include an illustration of how your existing policy is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies. You should discuss the following with your agent/registered representative to determine whether replacement or financing your purchase makes sense.

PREMIUMS

- Are they affordable?
- Could they change?
- You're older – are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid. You will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

INSURABILITY

- If your health has changed since you bought your old policy, the new one could cost you more, or your application could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS

- What are the tax consequences of buying the new policy?
- Is this a tax free exchange? (Ask your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

COMPARISON OF EXISTING AND PROPOSED POLICY

ALL questions must be answered.

7. In comparison with the existing policy, indicate the appropriate answer to the following questions. On the new policy:

a) Is the guaranteed death benefit higher?	☐ Yes	☐ No	☐ Not applicable
b) Are the guaranteed cash values higher?	☐ Yes	☐ No	☐ Not applicable
c) Is the guaranteed interest rate higher?	☐ Yes	☐ No	☐ Not applicable
d) Is the face amount higher?	☐ Yes	☐ No	☐ Not applicable
e) Is the annual premium lower?	☐ Yes	☐ No	☐ Not applicable
f) Is the loan interest rate lower?	☐ Yes	☐ No	☐ Not applicable
g) Is the underwriting classification more favorable?	☐ Yes	☐ No	☐ Not applicable
h) Will any ownership problems be resolved?	☐ Yes	☐ No	☐ Not applicable
i) Will any beneficiary problems be resolved?	☐ Yes	☐ No	☐ Not applicable

You have a "free-look" period within which to examine the proposed policy. If you are not satisfied, you can return it for a full refund within the period stated in the new policy.

CAUTION

If, after studying the information made available to you, you decide to replace the existing life insurance with our life insurance policy, you are urged not to take action to terminate or alter your existing life insurance coverage until after you have been issued the new policy, examined it and have found it to be acceptable to you. If you should terminate or otherwise materially alter your existing coverage and fail to qualify for the life insurance for which you have applied, you may find yourself unable to purchase other life insurance or you may only be able to purchase it at substantially higher rates.
