How to Submit Individual Life Insurance Business

Thank you for choosing the Principal Financial Group® to meet your client's life insurance needs.

Our application forms now include both Principal Life and Principal National Life, and will be used to apply for insurance products issued by both companies. Sales of Principal National Life will be introduced in a phased approach. In Jan. 2010, Term, Universal Life and Survivorship Universal Life products will be available for sale in states where approved for Principal National Life. Variable Products are remaining Principal Life.

Principal National Life versus Principal Life

If any part of the solicitation, sales or underwriting process takes place in NY, then the business must be issued by Principal Life Insurance Company. Principal National Life Insurance Company is not authorized to conduct any insurance business in New York, or with an owner, business sponsor, trust, or trustee whose residence is in New York. Any application fitting this description must be written for Principal Life Insurance Company.

What is "residence state"?

Residence state is defined as the state of primary residence for an owner or business sponsor where he or she receives mail on a regular basis. A primary residence cannot be a temporary residence such as a time share, vacation rental or vacation home. When the owner is a business entity, residence state is defined as the company's principal place of business or place of incorporation. For trusts, residence state is defined as the state where the trust is domiciled or where the trustee has an office or residence.

You must always be licensed and appointed in the state where the policy is solicited **and delivered**.

Replacement

Be sure to request replacement forms if there is a possibility that the client may want to replace an existing contract.

PART C – AGREEMENT/AUTHORIZATION TO OBTAIN AND DISCLOSE INFORMATION

AGREEMENT

Statements In Application: I represent that all statements in this application are true and complete to the best of my knowledge and belief and were correctly recorded before I signed my name below. I understand and agree that the statements in the application, including statements by the Proposed Insured in any medical questionnaire that becomes a part of this application, shall be the basis of any insurance issued. I also understand that misrepresentations can mean denial of an otherwise valid claim and rescission of the policy during the contestable period.

I understand that the policy(ies) delivered to me may be from a different issuer than what was listed in the application. I understand and agree that my acceptance of the policy(ies) shall be considered an amendment to this application. Each policy has only one issuing company and that issuer is solely responsible for the obligations under that policy.

When Policy Coverage Becomes Effective: I understand and agree that if a policy is issued as applied for with a premium deposit paid, policy coverage will become effective as of issuance. The Company agrees to pay any proceeds pursuant to policy terms subject to the acceptance of the proposed owner and signing of Part D, if applicable.

I understand and agree that if a policy is issued as other than applied for or without a premium deposit (C.O.D.), then policy coverage is not effective and the Company shall incur no policy liability unless:

- 1) A policy issued on this application has been physically delivered to and accepted by the owner and the first premium paid; and
- 2) At the time of such delivery and payment, the person to be insured is actually in the state of health and insurability represented in this application, medical questionnaire, or amendment that becomes a part of this application; and
- 3) The Part D or the Acknowledgment of Delivery form is signed by me and the Proposed Insured (if different than me) and dated at delivery.

If these conditions are met, the policy is deemed effective on the Policy Date stated in the policy data pages.

Limitation of Authority: I understand and agree that no agent, broker, licensed representative, telephone interviewer, or medical examiner has any authority to determine insurability, or to make, change or discharge any contract, or to waive any of the Company's rights. The Company's right to truthful and complete answers to all questions on this application and on any medical questionnaire that becomes a part of this application may not be waived. No knowledge of any fact on the part of any agent, broker, licensed representative, telephone interviewer, medical examiner or other person shall be considered knowledge of the Company unless such fact is stated in the application.

If my employer is the owner and beneficiary on this application: I agree to allow my employer to purchase insurance on my life. I understand that my employer or trustee will have all present and future rights of ownership and will also be the beneficiary of the policy. There is no obligation, on my part, to pay the policy premiums. I acknowledge that as an employee, the employer or trustee has an insurable interest in my life. I understand and agree that my administrators, estate, heirs and assignees have no rights to the policy or any policy proceeds. I understand that the maximum face amount for which I could be insured at the time of issuance is generally not more than 30 times compensation, up to a maximum of \$30,000,000, subject to underwriting guidelines. I further authorize my employer or trustee to increase or decrease the amount of insurance on my life in the future without another consent from me and without further notice to me as long as I am employed by the employer. I consent to and authorize my employer, trustees, or its successors to continue to be the owner and beneficiary of this policy(ies) indefinitely including after the end of my employment by the employer.

AUTHORIZATION

I authorize any insurance (or reinsuring) company, consumer reporting agency, governmental agency, insurance agent, broker, licensed representative, employer, family member, friend, neighbor, lawyer, accountant, roommate, business associate, or any other organization, institution or person having personal information (including physical, mental, drug or alcohol use history) regarding me, the named proposed insured, to provide to the Company, its representatives or reinsurers, any such data. I authorize the Company or its representative to conduct a telephone interview in connection with my application for insurance.

I understand and agree to sign any authorization that is required to authorize any doctor, hospital, clinic, health care provider, laboratory, pharmacy benefit manager or any other institution having personal information (including physical, mental, drug or alcohol use history) regarding the named proposed insured to provide the Company, its representatives or reinsurers any such data. I understand that if I refuse to sign an authorization to release my complete medical record, the Company may not be able to process my application for life insurance coverage.

PART C – AGREEMENT/AUTHORIZATION TO OBTAIN AND DISCLOSE INFORMATION (CONTINUED)

I authorize the Medical Information Bureau (MIB, Inc.) to furnish the above data to the Company, its representative or its reinsurers. I authorize the Company or its representative to release any such data to MIB, Inc. or as required by law. Notwithstanding any other provision in this form, the authorization to release data to the MIB, Inc. shall survive the termination of this form to the extent necessary to confirm, correct or update previously supplied data to the MIB, Inc. Data released may include results of my medical examination or tests requested by the Company. I understand that the data obtained by use of this authorization will be used by the Company to determine eligibility for insurance.

I agree that this authorization shall be valid for 24 months from the date of this application. I may revoke this authorization for information not then obtained. Such revocation must be in writing. It will not be effective until received at the Company's Home Office. I agree a photocopy of this authorization is as valid as the original. I have received a copy of this authorization. I have received a copy of the "Notice of Insurance Information Practices," which includes notice required by any Fair Credit Reporting Act. It also describes MIB, Inc.

Life Insurance
Conditional
Receipt

Only one company is the issuer and responsible for obligations of any given policy and is hereinafter referred to as "the Company".

(In this Receipt, "we", "us", "our", or "the Company" is the Company which issues the policy, Principal Life Insurance Company or Principal National Life Insurance Company, respectively. "Absolute Assignment" is our Absolute Assignment to Effect a Section 1035(a) Exchange form.)

Name of Proposed Insured(s)	Advance payment of: \$	Date of Application:
-----------------------------	---------------------------	----------------------

AUTHORITY:

This Receipt is not a "binder." No agent, broker, licensed representative, medical examiner, or telephone interviewer may accept risks, determine insurability or bind the Company in any way. No agent, broker, or licensed representative may waive or change any terms of the Receipt, or of the policy(ies) applied for, or any other rights of the Company.

The agent, broker, or licensed representative has **NO AUTHORITY** to accept any premium or to issue this Receipt: if it is apparent that any **Condition Precedent** to coverage under this Receipt is not or cannot be satisfied. **This Conditional Receipt shall be ineffective if issued without authority. Only the Home Office, and not the agent, broker, or licensed representative, has authority to modify any provisions of this Receipt.**

TERMS AND CONDITIONS:

The Company will pay a death benefit to the beneficiary named in the Application if the proposed insured or the surviving Proposed Insured under survivorship life insurance dies while this Conditional Receipt is in effect, subject to the terms and conditions set out below.

1. CONDITIONS PRECEDENT

All the following conditions must be fulfilled exactly. Otherwise there is NO insurance under this Receipt and the Receipt is void:

- a) On the Start Date, all Proposed Insureds must be living and insurable, as determined by our underwriters under our underwriting guidelines. If a condition affecting such insurability existed in fact on the Start Date, it shall be considered in the determination of insurability.
- b) The premium deposit must be at least one full month's premium for each policy applied for.
- c) If the premium deposit is paid at the time the Application is signed, then this Receipt must be issued at the same time as the Application.
- d) The premium deposit must be received in our Home Office and must be honored on first presentment for payment.

2. AMOUNT OF COVERAGE

The amount of insurance provided by this Receipt shall be that applied for on the Application, subject to all the **LIMITATIONS** set forth in this Receipt, and will be the lesser of:

- a) The amount of all death benefits applied for in the Application, including any accidental or supplemental death benefits, if applicable, or
- b) \$1,000,000 if the Proposed Insured is insurable on a standard or more favorable basis, or
- c) \$100,000 if the Proposed Insured is insurable on a basis less favorable than standard, or
- d) \$500,000 per company if the Proposed Insured is insurable on a standard or more favorable basis, and has an application with Conditional Receipt coverage pending with each of Principal Life Insurance Company and Principal National Life Insurance Company, or
- e) \$50,000 per company if the Proposed Insured is insurable on a basis less favorable than standard and has an application with Conditional Receipt coverage with each of Principal Life Insurance Company and Principal National Life Insurance Company.

This total death benefit limit applies to all insurance applied for under this and any current Applications to the Company and any other Conditional Receipts that may be in effect with Principal Life Insurance Company and/or Principal National Life Insurance Company.

3. DATE COVERAGE BEGINS

If all of the **Conditions Precedent** set forth in this Receipt are fulfilled exactly, insurance under this Receipt takes effect on the **Start Date**. The Start Date is the date upon which all of our initial Application requirements are completed. Our initial Application requirements consist of full completion and signing of the Application and all necessary supplements, completion of the telephone application interview, if applicable, and completion of any medical exams and tests required by our published rules.

If premium is submitted after the initial Application is signed and dated, then updated evidence of insurability, subject to our current underwriting guidelines and completion of all our initial Application requirements, is required in order to have insurance under this Receipt. The Start Date would be the earliest date upon which all requirements are completed.

4. DATE COVERAGE ENDS

Any insurance provided by this Receipt ends on the **Stop Date**, which is the **earliest** of:

- a) 75th day after the Start Date;
- b) the date we mail the proposed owner a premium refund and a notice that we will not consider the Application on a prepaid basis;
- c) the date we mail the proposed owner a premium refund and a notice that no policy will be issued on the Application;
- d) when policy coverage becomes effective;
- e) the date a policy is presented to the proposed owner (whether or not accepted by the proposed owner);
- f) the date an Absolute Assignment is received by the Current Insurer(s) and honored on first presentment.

5. HEALTH AND INSURABILITY

This Receipt does not commit Principal Life Insurance Company or Principal National Life Insurance Company to issue any policy. However, in determining whether to issue this policy and on what terms, we will consider no changes in a Proposed Insured's health or insurability occurring between the Start Date and the Stop Date. We have until policy coverage becomes effective to make this determination.

6. LIMITATIONS

- a) **Our Liability:** Except as limited by this Receipt, our liability is governed by the terms of the policy(ies) applied for.

Information Form For Insurance Proposed Insured

Before consenting to testing, please read the following information:

To evaluate your insurability, the above company (the Insurer) has requested that you be tested. Tests which may be performed include determinations of blood cholesterol and related lipids (fats) and screening for liver or kidney disorders, diabetes, and immune disorders. One of the tests to be performed on this sample will be a test to determine the presence of human immunodeficiency virus (HIV) antibodies. By signing and dating this form you agree that this test may be done and that underwriting decisions will be based on the test result. The HIV Antibody Test consists of a series of three tests as outlined below which will be performed by a licensed laboratory through a medically accepted procedure.

AIDS:

Acquired Immunodeficiency Syndrome (AIDS) is a life-threatening disorder of the immune system, caused by a virus, HIV. The virus is transmitted by sexual contact with an infected person, from an infected mother to her newborn infant or by exposure to infected blood (as in needle sharing during IV drug use). Persons at high risk of contracting AIDS include males who have had sexual contact with another man, intravenous drug users, hemophiliacs, and sexual contacts with any of these persons. AIDS does not typically develop until a person has been infected with HIV for several years. A person may remain free of symptoms for years after becoming infected. If symptoms do develop, they may include fever (including night sweats), weight loss, swollen lymph glands, fatigue, diarrhea or white spots in the mouth.

The HIV Antibody Test:

Purpose: This test is being run to determine whether you may have been infected with HIV. If you are infected, you are probably not insurable. This test is not a test for AIDS, AIDS can only be diagnosed by medical evaluation.

When an HIV Antibody test is performed, it will be performed only by a licensed laboratory and according to the following medical protocol:

- 1) An initial ELISA test will be done. If such test is negative, a negative finding will be reported by the laboratory to the Insurer.
- 2) If the initial ELISA test is positive, another ELISA test will be performed.
 - a) If the second ELISA test is also positive, a Western Blot test will be performed to confirm the positive results of the two ELISA tests.
 - b) If the second ELISA test is negative, a third ELISA test will be performed. If the third ELISA test is positive, a Western Blot test will be performed to confirm the previous positive results. If the third ELISA test is negative, a negative result will be reported to the Insurer.
- 3) Only if at least two ELISA tests and a Western Blot test are all positive will the result be reported as positive. All other results will be reported as negative by the laboratory to the Insurer.

This test is not a test for AIDS. It is a test for antibodies to the HIV virus, the causative agent for AIDS, and shows whether you have been exposed to the virus. A positive test result does not mean that you have AIDS but shows that the risk that you will develop problems with your immune system is significantly increased

Confidentiality of Test Results:

All test results are required to be treated confidentially. They will be reported by the laboratory to the Insurer. The test results may be disclosed as required by law or may be disclosed to employees of the Insurer who have the responsibility to make underwriting decisions on behalf of the Insurer or to its outside legal counsel who need such information to effectively represent the Insurer in regard to your application. The results may be disclosed to a reinsurer, if the reinsurer is involved in the underwriting process. The test may be released to an insurance medical information exchange under procedures that are designed to assure confidentiality, including the use of general codes that also cover results of tests for other diseases or conditions not related to AIDS, or for the preparation of statistical reports that do not disclose the identity of any particular person.

Notification of Test Results:

If your test results are negative, no routine notification will be sent to you. If your test results are reported by the laboratory to the Insurer as being positive, you are entitled to that information if you so desire. Because a trained person should deliver that information to you so that you can understand clearly what the test result means, you are asked to list your private physician or other designee so that the Insurer can have him or her tell you the test result and explain its meaning.

Pre-Testing Conditions:

Many public health organizations have recommended that before taking an AIDS-related test a person seek counseling to become informed concerning the implications of such a test. You may wish to consider counseling, at your expense, prior to being tested. A list of counseling resources is provided to you with this form.

Consent

I have read this Notice and Consent and I have received a copy of the counseling resource list. I voluntarily consent to this testing and the disclosure of the test results as described above. I have read the information on this form about what a test result means and understand that I should contact a local AIDS service group or my private physician for further information and counseling if the test result is positive.

This is not a complete list of all resources that may be available to you. We suggest you contact your own physician or health care provider, your county health department, or your local chapter of the American Red Cross, for further information.

NOTICE REGARDING STANDARDS FOR MEDI-CAL ELIGIBILITY

If you or your spouse are considering purchasing a financial product based on its treatment under the Medi-Cal program, read this important message!

You or your spouse do not have to use up all of your savings before applying for Medi-Cal.

Recovery

An annuity purchased on or after September 1, 2004, shall be subject to recovery by the state upon the annuitant's death under the regulations of the Medi-Cal Recovery Program. Income derived from the annuity must be used to meet the annuitant's share of costs and, if the annuitant is married, the income derived from the annuity may impact the minimum monthly maintenance needs of the annuitant's community spouse. An annuity purchased by a community spouse on or after September 1, 2004, may also be subject to recovery if that spouse is the recipient of past or future Medi-Cal benefits.

Unmarried Resident

An unmarried resident may be eligible for Medi-Cal benefits if he or she has less than \$2,000 in countable resources. The Medi-Cal recipient is allowed to keep from his or her monthly income a personal allowance of \$35 plus the amount of any health insurance premiums paid. The remainder of the monthly income is paid to the nursing facility as a monthly share of cost.

Married Resident

Community Spouse Resource Allowance: If one spouse lives in a nursing facility, and the other spouse does not live in a facility, the Medi-Cal program will pay some or all of the nursing facility costs as long as the couple together does not have more than \$119,220 in countable resources.

Minimum Monthly Maintenance Needs Allowance: If a spouse is eligible for Medi-Cal payment of nursing facility costs, the spouse living at home is allowed to keep a monthly income of at least his/her individual monthly income, or \$2,981 in monthly income, whichever is greater.

Fair Hearings and Court Orders

Under certain circumstances, an at-home spouse can obtain an order from an administrative law judge or court that will allow the at-home spouse to retain additional resources or income. The order may allow the couple to retain more than \$119,220 in countable resources. The order also may allow the at-home spouse to retain more than \$2,981 in monthly income.

Real and Personal Property Exemptions

Many of your assets may already be exempt. Exempt means that the assets are not counted when determining eligibility for Medi-Cal.

Real Property Exemptions

- *One Principal Residence.* One property used as a home is exempt. The home will remain exempt in determining eligibility if the applicant intends to return home someday. The home also continues to be exempt if the applicant's spouse or dependent relative continues to live in it. Money received from the sale of a home can be exempt for up to six months if the money is going to be used for the purchase of another home.
- *Real Property used in a business or trade.* Real estate used in a trade or business is exempt regardless of its equity value and whether it produces income.

Personal Property and Other Exempt Assets

- *IRAs, Keoghs, and other work-related pension plans.* These funds are exempt if the family member whose name it is in does not want Medi-Cal. If held in the name of a person who wants Medi-Cal and payments of principal and interest are being received, the balance is considered unavailable and is not counted. It is not necessary to annuitize, convert to an annuity, or otherwise change the form of the assets in order for them to be unavailable.
- *Personal property used in a trade or business.*
- *One Motor Vehicle.*
- *Irrevocable burial trusts or irrevocable prepaid burial contracts.*

There may be other assets that may be exempt.

This is only a brief description of the Medi-Cal eligibility rules, for more detailed information, you should call your county welfare department. Also, you are advised to contact a legal services program for seniors or an attorney that is not connected with the sale of this product.

Please note: The Federal Government has authorized the State of California, Department of Health Services (DHS) to seek repayment from annuities held by deceased Medi-Cal beneficiaries. The Department may seek repayment from the estate of a deceased Medi-Cal beneficiary for the expenses incurred for all premium payments and services received by the beneficiary's 55th birthday. Premium payments made by the State include, but are not limited to, dental premiums, Medicare premiums, and premium payments made to Medi-Cal managed care plans.

In addition, if you seek Medi-Cal payment for nursing facility services, you may be ineligible for those services if payments from your annuity extend beyond your life expectancy, based on life expectancy tables adopted by the Department of Health Services for this purpose. To find out about these tables, you may contact your local county welfare department.

Finally, the Department of Health Services is currently refining its policy regarding treatment of annuities when determining eligibility for nursing facility services. Any regulatory changes will only impact annuities purchased after the effective date of any regulatory amendments.

Different rules apply to annuities that are qualified retirement arrangements established pursuant to Title 26, Internal Revenue Code, Subtitle A, Chapter 1, Subchapter D, Part 1. In some circumstances, Medi-Cal does not count funds held in an IRA, Keogh, or other work-related retirement arrangement. To find out if Medi-Cal would count your IRA, Keogh, or other work-related retirement arrangements, you may contact your local county welfare department.

C. What payment options are available?

Accelerated benefits will be paid as a lump sum. Depending on the type of Rider you have on your policy, periodic payments may be made at your request, subject to our approval.

D. What is the premium for the Accelerated Benefits Rider?

F. How will taking an Accelerated Benefit affect my policy?

The accelerated benefit payment and its accrued interest are treated as a lien against the policy. The interest rate is the same as your policy loan rate or if your policy does not permit policy loans, your rate will be 8%. However, at no time will the interest rate charged exceed the maximum rate permitted by law.

Your policy remains in force. Death proceeds will be reduced by the accelerated benefit plus accrued interest.

If you have a policy loan, it will first be repaid from the amount of the accelerated benefit. Your cash value will not be reduced, although your access to it will be limited by the amount of the accelerated benefit and any accrued interest. (This does not apply to Term policies which have no cash value.)

Here is an example of how an Accelerated Benefit affects a policy:

Face Amount	\$25,000
Policy Loan	\$0
Loan Interest Rate	8%
Maximum Accelerated Benefit	\$18,750

	Face Amount	Cash Value	Benefit & Interest	Death Benefit	Loan Value
Date of Benefit	\$25,000	\$5,000	\$18,750	\$6,250	\$0
6 Months Later	\$25,000	\$5,500	\$19,500	\$5,500	\$0
1 Year Later	\$25,000	\$6,000	\$20,250	\$4,750	\$0

The Accelerated Benefits Rider is subject to state variations and availability. See the rider for full details.

G. What is the premium for my policy after an Accelerated Benefit?

Your policy premiums are still due after taking an Accelerated Benefit unless premiums are being waived.

H. If I have a policy loan, how is it affected?

The policy loan will first be repaid from the amount of the Accelerated Benefit. Future policy loans will be limited by the amount of the Accelerated Benefit and any accrued interest.

I. How does termination of my policy affect the Accelerated Benefit?

Your policy and the Accelerated Benefit Rider must be in force at the time an Accelerated Benefit is paid. Later termination or maturity of your policy does not affect any Accelerated Benefit already paid.

J. Limitations of the Accelerated Benefit:

This Accelerated Benefit Rider is NOT a long-term care policy or nursing home insurance policy. The amount this rider pays you may not be enough to cover your medical, nursing home or other bills. There are no restrictions or limitations on the use of the Accelerated Benefits.

Unlike conventional life insurance proceeds, Accelerated Benefits payable under this rider MAY BE TAXABLE. You should consult a personal tax advisor.

Receipt of Accelerated Benefits under this rider MAY AFFECT MEDICAID and SUPPLEMENTAL SECURITY INCOME (SSI) eligibility. Without exercising your option to accelerate benefits, the mere fact that you own an Accelerated Benefit Rider will not in and of itself affect your eligibility for these government programs. However, exercising the option to accelerate benefits and receiving those benefits before you apply for these programs, or while you are receiving government benefits, may affect your initial or continued eligibility. Contact the Medicaid Unit of your local Department of Public Welfare and Social Security Administration Office for more information.
